

## Hybrid Meeting (virtual & in-person) on “Nuclear Databases for Nuclear Reactor Applications within the Spanish Nuclear Sector”

September 20 (Tuesday), 2022. 09:00-13:00h

### Agenda

| Start - End   | Presenter                      | Institution   | Title   |
|---------------|--------------------------------|---|---|
| 9:00 – 9:05   | Oscar Cabellos<br>Amparo Soler | UPM<br>NFQ  | Welcome   |
| 9:05 – 9:15   | Javier Dies                    | CSN   | Introduction to the meeting   |
| 9:15 – 10:00  | Alice DUFRESNE                 | OECD/NEA  | The OECD/NEA – CPS: Activities on nuclear databases and computer programs                                     |
| 10:00 – 10:15 | Pedro Ortego                   | SEA Ingeniería  | SEA activities on the evaluation of integral experimental measurements compiled in SINBAD, ICSBEP and SFCOMPO |
| 10:15 – 10:30 | Oscar Cabellos                 | UPM   | Evaluation of Nuclear Data: The JEFF Project  |
| 10:30 – 10:45 | Vicente Bécares                | CIEMAT  | CIEMAT activities on Benchmarking and Nuclear Data Validation using ICSBEP                                    |
| 10:45 – 11:00 | Francisco Alvarez-Velarde      | CIEMAT  | CIEMAT activities on Benchmarking and Nuclear Data Validation using SFCOMPO                                   |
| 11:00 – 11:30 | Coffee break                   | Coffee sponsored by NFQ Advisory Services ( <a href="https://nfq.es/">https://nfq.es/</a> ) |   |
| 11:30 – 11:45 | Nuria Garcia-Herranz           | UPM   | UPM activities on Benchmarking and Nuclear Data Validation using ICSBEP and IRPHEP                            |
| 11:45 – 12:00 | Víctor López                   | UNED  | UNED activities in IFMIF-DONES: The role of nuclear data  |
| 12:00 – 12:15 | Cristian Garrido               | IDOM  | IDOM activities on Benchmarking using ICSBEP, SINBAD and SFCOMPO  |
| 12:15 – 12:30 | Alberto Fernández              | MOLTEX  | Uncertainty in chloride data for Molten Salt Reactors and the effect on reactor performance                   |
| 12:30 – 13:00 | All                            |   | Discussion  |
| 13:00 – 13:05 | All                            |   | AoB, end of the meeting   |

**Venue:** Instituto de Fusión Nuclear “Guillermo Velarde”.  
ETS de Ingenieros Industriales de Madrid  
C/Jose Gutierrez Abascal, 2. CP: 28006 Madrid

**Zoom connection details:** Zoom (to be defined)

**Local organizing committee:** Oscar Cabellos (UPM), [oscar.cabellos@upm.es](mailto:oscar.cabellos@upm.es)  
Amparo Soler (NFQ), [amparo.soler@nfq.es](mailto:amparo.soler@nfq.es)
